Black Soap, Activated charcoal, 100g

Art.-Nr. 615

 12 M

Face and body soap made from valuable plant oils – enriched with activated charcoal from bamboo. Mildly nurturing and fragrant with rosemary oil and lavender oils. Activated charcoal from bamboo absorbs toxins, foreign substances and harmful substances from the skin. Due to its large surface it binds unwanted foreign substances on the skin, removes dead skin flakes and unpleasant odours. The Black Soap supports deep pore cleansing and provides intensive care for healthy and radiant skin. Crafted according to Speick Natural Cosmetics' traditional soap recipe with RSPO-certified palm oil from sustainable cultivation as well as coconut and olive oil. Suitable for all skin types, especially for mixed and oily skin. Basic care.

Application note: Lather soap in cold or lukewarm water and enjoy the fine fragrant, rich and creamy foam. Gentle on the skin, even when used daily on the face and body.

Packaging: FSC-certified paper folding box, printed with environmentally friendly colours. For optimal recycling, dispose of folding box in waste paper.

Certified Natural Cosmetics (COSMOS): Free from mineral oils. Gluten- and lactose-free. Basic care. Dermatologically and allergologically tested. With RSPO certified palm oil from sustainable cultivation. Readily biologically degradable according to OECD-criteria.
