Hair Soap, 45g

Art.-Nr. 616

6 M

Mild and rich hair soap made from pure plant oils, refined with pure essential oils. The silicone-free hair soap cleanses the hair mildly and thoroughly and gives it noticeable fullness. With fair traded argan oil from Moroccan argan trees for beautiful, strong hair and silky shine right up to the tips. Wheat proteins nourish the hair and make it easier to comb. Crafted according to Speick Naturkosmetik's traditional soap recipe with high-quality palm, coconut and olive oil. Even in cold or lukewarm water the soap lathers creamy and fine.

Application note: 1. Lightly lather the soap by hand and rub the lather into the wet hair. Then rinse the hair thoroughly. Recommendation: Do not rub the entire soap bar over the hair, but only work the lather into the hair with your hands. 2. Repeat the washing process: In the first wash cycle, the dirt and dust particles are absorbed and removed, in the second wash cycle, the hair is then thoroughly deep cleaned. During the second wash, the soap in the hair usually also foams much more. 3. Then rinse with an acidic rinse (1 tablespoon of vinegar to 800 ml of water) to smooth the hair and rinse off any lime soap deposits. It is not necessary to use the entire 800 ml for rinsing - depending on the length of the hair and personal feeling. No further water is needed for rinsing. Alternatively, a conditioner can be used, for example the Speick Natural Aktiv Hair Conditioner.

Packaging: The simple banding of the soap avoids unnecessary packaging waste. FSC-certified paper banderole, printed with environmentally friendly colours. For optimal recycling, dispose of banderole in waste paper.

Certified Natural Cosmetics (COSMOS): Free from mineral oils. Gluten- and lactose-free. Basic care. With RSPO certified palm oil from sustainable cultivation.

Ingredients (INCI): Sodium Palmate, Sodium Cocoate, Aqua (Water), Sodium Coco-Sulfate, Sodium Olivat, Glycerin, Parfum (Fragrance), Argania Spinosa (Argan) Kernel Oil, Hydrolyzed Wheat Gluten, Hydrolyzed Wheat Protein, Guar Hydroxypropyltrimonium Chloride, Sodium Gluconate, Sodium Chloride, Sodium Thiosulfate, CI 75120 (Annatto), Citronellol, Geraniol, Limonene, Linalool
