Pure Plant Oil Soap Angels, 50g

Art.-Nr. 78

Basic skin care made of pure plant oils – mild and nurturing. The seasonally available soap angel is crafted from pure, high-quality palm, coconut oil and olive oil in the time-honoured soap boiling tradition. It is especially gentle on the skin and produces rich, creamy foam, even in cold or lukewarm water. It provides the skin with soft and supple nourishment. The soap contains a nourishing wax cream and a fragrant blend of pure essential oils.

Application note: Lather soap in cold or lukewarm water and enjoy the fine fragrant, rich and creamy foam. Suitable for the whole body.

Packaging: Individually packed in cellophane bags. 12 units per display made of FSC-certified paper, printed with environmentally friendly colours. The bags are made of compostable wood cellulose. For optimal recycling, dispose of cellulose film in recycling waste. Dispose of paper display in waste paper.
