Bio Melos Plant Oil Soap Sea Buckthorn, 100g

Art.-Nr. 715

12 M

Rich yet mild soap made from pure plant oils, enriched with the concentrated extract of the sea buckthorn berry, which is widely used for its restorative effect and a fine fragrance blend of pure essential oils. The plant-based moisturising cream makes the soap especially gentle on the skin and provides soft and supple nourishment. Even in cold or lukewarm water the soap lathers creamy and fine. Crafted according to Speick Naturkosmetik's traditional soap recipe with high-quality palm, coconut and olive oil.

Application note: Lather soap in cold or lukewarm water and enjoy the fine fragrant, rich and creamy foam. Suitable for the whole body.

Packaging: Our Melos Bio soaps are wrapped in a transparent film, which at first glance can look like plastic packaging. This is not the case – in fact it is compostable wood cellulose. The cellulose packaging protects our soaps from blemishes and from losing their fragrance and ensures that every soap bar arrives in our customer's homes with the quality and freshness as it leaves our factory. For optimal recycling, dispose of cellulose film in recycling waste.

Certified Natural Cosmetics (COSMOS): Free from synthetic fragrances and mineral oils. Gluten- and lactose-free. Basic care. With RSPO certified palm oil from sustainable cultivation.

Ingredients (INCI): Sodium Palmate, Sodium Cocoate, Aqua (Water), Sodium Olivat, Glycerin, Parfum (Fragrance), Hippophae Rhamnoides (Sea Buckthorn) Fruit Extract, Cetearyl Alcohol, Glyceryl Stearate, Potassium Stearate, Potassium Palmitate, Sodium Gluconate, Sodium Chloride, Sodium Thiosulfate, CI 77491 (Iron Oxides), CI 77492 (Iron Oxides), Citral, Limonene, Linalool
