

## PRODUCT INFORMATION

### Speick Natural Aktiv Shampoo Balance & Freshness, 200ml

Art.-Nr. 122

 9 M

Shampoo for oily hair. Mild tensides cleanse gently and thoroughly. Selected plant-based active and moisturising ingredients gently normalise oil production and provide dynamic volume from the roots to the tips: With nettle extract to regulate the sebaceous gland activity against fast regreasing. To protect against dehydration and for more radiance, the formulation contains moisturising sugar beet extract and wheat proteins. Fair traded argan oil from Moroccan argan trees supports the shine of the hair. A blend of essential oils gives hair a pleasant fragrance. With the unique extract of the high-alpine Speick plant from biologically regulated wild harvesting (kbW).

**Application note:** Massage a small amount of shampoo into damp hair from the roots to the tips. Allow to work briefly and rinse thoroughly. For optimum hair care, follow with Speick Natural Aktiv Hair Conditioner. The shampoo is suitable for every day use.

**Packaging:** Made from renewable raw materials. Tube made of 90% BIO PE, cap made of PP. Compared to “normal” PE, BIO PE causes less CO2 emissions during its production. Dispose of in recycling waste.

**Certified Natural Cosmetics (COSMOS):** Free from synthetic fragrances, colours, silicones, parabens and mineral oils. 99.5% natural origin of total. Gluten- and lactose-free. Dermatologically and allergologically tested.

**Ingredients (INCI):** Aqua (Water), Coco-Glucoside, Sodium Coco-Sulfate, Sodium Chloride, Glyceryl Oleate, Sucrose Stearate, Sodium PCA, Glycerin, Argania Spinosa (Argan) Kernel Oil, Valeriana Celtica (Speick) Extract, Urtica Dioica (Nettle) Extract, Beta Vulgaris (Beet) Root Extract, Betaine, Hydrolyzed Corn Starch, Hydrolyzed Wheat Protein, Hydrolyzed Wheat Gluten, Xylitylglucoside, Anhydroxylitol, Xylitol, Arginine, Disodium Cocoyl Glutamate, Sodium Cocoyl Glutamate, Dicaprylyl Ether, Decyl Glucoside, Parfum (Fragrance), Citric Acid, Potassium Sorbate, Sodium Benzoate, Limonene, Linalool
