

PRODUCT INFORMATION

Speick Natural Aktiv Shampoo with natural caffeine, 200ml

Art.-Nr. 123

Shampoo for weak hair. Mild, richly foaming tensides cleanse gently and thoroughly. A selected combination of plant-based active and moisturising ingredients strengthens and protects weakened hair and improves the hair structure: to protect against dehydration and for more radiance, the formulation contains moisturising sugar beet extract and wheat proteins. Fair trade organic argan oil from Moroccan argan trees supports the shine of the hair. A blend of essential oils gives hair a pleasant fragrance. With the unique extract of the high-alpine Speick plant from biologically regulated wild harvesting (kbW).

Application note: Massage a small amount of shampoo into damp hair from the roots to the tips. Leave on for at least two minutes, rinse thoroughly. For optimum hair care, follow with Speick Natural Aktiv Hair Conditioner. The shampoo is suitable for every day use.

Packaging: Made from renewable raw materials. Tube made of 90% BIO PE, cap made of PP. Compared to “normal” PE, BIO PE causes less CO2 emissions during its production. For optimal recycling, separate tube and cap and dispose of in recycling waste.

Certified Natural Cosmetics (COSMOS): Free from synthetic fragrances, colours, silicones, parabens and mineral oils. 99.5% natural origin of total. Gluten- and lactose-free. Dermatologically and allergologically tested.
