PRODUCT INFORMATION

Speick Original Liquid Soap, Dispenser, 300ml

Art.-Nr. 282

The Speick Original liquid soap washes gently. Thanks to its special replenishing action, it provides optimum protection and gently cares for dry and damaged hands. Each Speick product contains the unique extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

Application note: Rinse hands well with lukewarm water. Lather liquid soap on wet hands. Spread the lather over the entire hands and massage thoroughly for 20-30 seconds, also between the fingers and on the fingertips. Finally, rinse off the foam thoroughly.

Packaging: 100% recycled PET bottle. Label and riser pipe made of PE. Dosing head made of PP. For optimal recycling, separate bottle and dosing head and dispose of in recycling waste.

Speick Body Care: Free from colours, silicones, parabens and mineral oils. Gluten- and lactose-free. Dermatologically and allergologically tested.
