

## Press release

Leinfelden, Germany, November 2021

### **Back in stock: After a short summer break, our popular Speick Natural Aktiv Body Oil is now available in stores again.**

Just in time for the winter season—when body oil is an essential—our Speick Natural Cosmetics classic is now available again in stores after a short summer break. Speick Natural Aktiv Body Oil, with its proven, high-quality formula, is available again both in selected stationary retail stores as well as online, e.g. at [www.speickshop.de/en](http://www.speickshop.de/en).

Using a body oil has a soothing effect, especially in autumn and winter because typically dryer skin is now crying out even louder for an extra dose of care.

#### **What makes Speick Natural Aktiv Body Oil so special?**

This activating body oil with organic jojoba oil feels particularly pleasant after sport or a sauna session. Its valuable natural ingredients have a warming effect, are richly nourishing and maintain the skin's elasticity. In doing so, as with every Speick product, it contains the unique extract of the organic high alpine Speick plant from regulated organic wild harvesting.

#### **What do I need consider when applying the product?**

For particularly effective use, apply Speick Natural Aktiv Body Oil to damp skin after a bath or shower and gently massage it in. The resulting water-oil emulsion is more easily absorbed into the skin and preserves its moisture.

#### **Product details at a glance:**

Speick Natural Aktiv Body Oil, 100ml.

Speick Natural Aktiv Body Oil is available at [speickshop.de/en](http://speickshop.de/en) or in well-stocked chemists, plus organic and natural cosmetic specialist stores.
