

## Press release

Leinfelden, Germany, February 2017

### NEW MIRACLE DUO:

### **SPEICK Thermal Sensitive Micellar Water & Hyaluronic Acid Serum.**

The two new additions to the Speick Thermal Sensitive range are the innovative results of research and development at SPEICK natural cosmetics.

#### **Micellar Water**

The COSMOS Natural-certified Micellar Water provides a gentle way to cleanse your face, effortlessly removing both mascara and waterproof make-up. No need to rinse your face afterwards. The Micellar Water is alcohol free and cares for the skin with a special active complex and thermal water from the Schlangenbad spa mineral springs containing silicic acid.

#### **Hyaluronic Acid Serum**

Also COSMOS Natural certified, the Hyaluronic Acid Serum offers instant results. This highly concentrated serum actively supports the skin in replenishing its moisture reserves and revitalises . with effectively moisturising, purely plant-based hyaluronic acid from fermented grains and skin-protecting, stabilising ectoine with a repairing effect. Apply a small amount of the serum under your face cream after cleansing.

#### **Guaranteed quality**

Certified natural cosmetics (COSMOS): 100% free from synthetic fragrances, colourings and preservatives, silicones, parabens and mineral oil-based ingredients. Gluten and lactose free. Dermatologically and allergologically tested.

Micellar Water: 100% free from alcohol. Ophthalmologist tested.
