## Product Information

### Speick Natural Aktiv Foot Balm (Certified Natural Cosmetics, COSMOS NATURAL), 75 ml

Organic soya oil and vitamin F provide the skin with extra moisture and prevent dryness. Sugar beet and sea buckthorn berry extracts soothe the skin and support the regenerative process. Horse chestnut and rosemary extracts stimulate the circulation and revitalise heavy legs. Antimicrobial hops extract optimises foot health, helps to prevent athlete's foot and has a mild deodorising effect.

Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting.

Certified Natural Cosmetics (COSMOS): 100% free from artificial fragrances, colours and preservatives, mineral oil-based ingredients. Gluten- and lactose-free. Vegan. Dermatologically and allergologically tested.
